

HOUSING MOBILITY TRAINING INSTITUTE

October 24-25, 2022 • Baltimore, MD

Designed to help mobility program staff build skills and connections, the Institute will be led by practitioners, advocates, and policy experts and will include time for network building and peer exchange.

Topics will include trauma-informed pre- and post-move services; mobility-oriented HCV administration; landlord incentives, outreach, and recruitment; program troubleshooting; tenant/client leadership; and current political and policy context.

Join us in Baltimore for two days of interactive learning about housing mobility. Your \$400 registration includes lunch on both days and a dinner reception on 10/24.

Mobility Works members will receive a 20% discount on each registration.
